TRANSMITTAL OF DRAWING CORRECTION

Commissioner for Patents
Washington, DC 20231

Dear Sir:

Submitted herewith is one set (nine sheets, twenty-four figures) of corrected drawings for filing in the above-identified patent application.

The Examiner objected to the drawings for reasons stated in the Office Action (Paper No. 10) dated November 29, 2002. Specifically, Figure 3A as filed included a reference character not mentioned in the description. The enclosed new drawings remove the subject reference character (65) from Figure 3A, correcting this informality.

Favorable consideration of the enclosed drawings is respectfully requested.

Dated: February 27, 2003

Respectfully submitted,

By *Bradley J. Friedrich*
